

Short Introduction

Joe

August 30, 2022

1. My name is Joe, I'm an Electrical Engineering major, and I'm currently interning as an embedded systems engineer at a small tech company in Manchester.
2. This is my 2nd or 3rd year at SNHU (depends how you count the covid semsters)
3. I'm fluent in Python, Java and C++, and I'm pretty ok with C++, PHP, Pearl and Rust.
4. I was lead software engineer on my robotics team.
5. And I'm a ROS systems programmer as a hobby outside of school. I fly UAVs in my spare time!
